A Delicious New Website. Anna Shea Chocolates & Lounge

Over the past few years we have had the pleasure to work with Anna Shea Chocolates & Lounge, in the Barrington Arboretum. This gourmet chocolatier specializes in hand crafted artisanal chocolate. Our latest project with them was to re-invent their web presence and create a memorable impression on the end user that not only compliments the store, but sets the tone for the entire Anna Shea experience. DESIGN HAPPENINGS

“The Anna Shea web site was in need of a facelift. I asked Kelly and Tony to redesign our site to be classy, professional and user friendly. All I can say is that our new web site is fabulous!

I have received so many compliments about the clean new look and the usability of the site. Kelly is very responsive as I continue to use Ten26 Design to update the site on a regular basis. Kelly has a wonderful artistic eye and knows exactly what I am looking for. I would highly recommend Ten26 Design not only for a fabulous web site but for all your graphic design needs.”

A Designer Overhaul Loren Reid Seaman & Associates Interior Design Firm

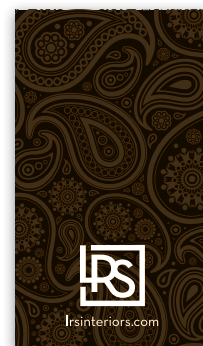

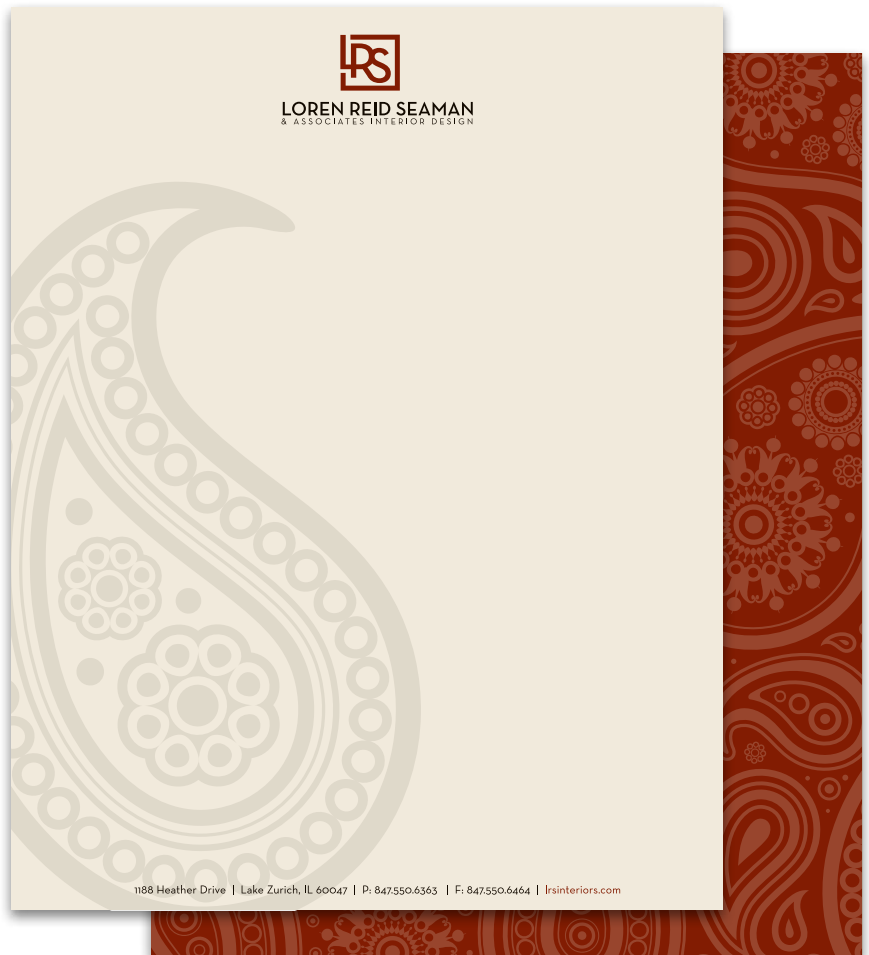

As an interior designer, Loren Reid Seaman realized that it was important to have a brand image that spoke to his customers about what it is that his company offered.

We created an identity that was professional, clean, trustworthy and sophisticated - borrowing ideas from the identity he already had in place but updating it to be more contemporary and modern.

“As an Interior Designer, I know I have succeeded in doing my job when I have matched my clients style, wants, needs, and made their environment truly a wonderful experience. In working with Tony and Ten26 Design Group they have very much done the same for me.

I have had the best outcome with the finished product in all my 24 years working with someone who captured the true essence of my firm and made it a pleasurable experience. Our new look is much more advanced and on target to to the needs of our clientele. I feel like the true professional that I am. I am looking forward to working together again and again.”

Another Year, Another Calendar...

For the third year in a row, Ten26 has released our latest calendar, with of course, more 1026 “hidden” in everyday objects! So whether you are waking up in the morning, walking past a farm, or even cooking a turkey dinner; Ten26 is never far away!

For us, the calendar is a great way to showcase some of our different skill sets, as well as getting our name in front of our customers for an entire year, it's kind of a fun Where's Waldo meets Photoshop.

To get your copy of this year's calendar, send us an email at info@ten26design.com or give us a call 847.650.3282.
